

## Table of Contents

1.0	Introduction.....	1-1
2.0	The Pit Stop Site.....	2-1
2.1	Introduction/Site History.....	2-1
2.2	Recommended Actions.....	2-3
3.0	Old Horn Site.....	3-1
3.1	Introduction/Site History.....	3-1
3.2	Existing Site Conditions.....	3-4
3.3	Recommended Actions.....	3-5
4.0	Phil's Auto Site.....	4-1
4.1	Introduction/Site History.....	4-1
4.2	Existing Site Conditions.....	4-3
4.3	Recommended Actions.....	4-4
5.0	Rodger's Drilling Site.....	5-1
5.1	Introduction/Site History.....	5-1
5.2	Existing Site Conditions.....	5-3
5.3	Recommended Actions.....	5-4
6.0	Climate Roofing Site.....	6-1
6.1	Introduction/Site History.....	6-1
6.2	Existing Site Conditions.....	6-3
6.3	Recommended Actions.....	6-3
7.0	Lee & Blakely Site.....	7-1
7.1	Introduction/Site History.....	7-1
7.2	Existing Site Conditions.....	7-3
7.3	Recommended Actions.....	7-3
8.0	ATEX #213 Site.....	8-1
8.1	Introduction/Site History.....	8-1
8.2	Existing Site Conditions.....	8-3
8.3	Recommended Actions.....	8-4
9.0	Former G&S Community Corner Site.....	9-1
9.1	Introduction/Site History.....	9-1
9.2	Existing Site Conditions.....	9-4
9.3	Recommended Actions.....	9-5

## Tables

Table 1 - Summary of Investigation and Monitoring.....	1-4

**List of Figures**  
*(All Follow Section Text)*

- Figure 2-A - The Pit Stop - Historic Site Map
- Figure 2-B - The Pit Stop - Proposed AS/VE Test Wells
- Figure 3-A - Old Horn Site - Soil and Groundwater Quality Summary Map
- Figure 3-B - Old Horn Site - Simplified Geologic and Contaminant Cross Section A-A'
- Figure 3-C - Old Horn Site - Proposed Drilling and Pilot Test Locations
- Figure 4-A - Phil's Auto Site - Soil and Groundwater Quality Summary Map
- Figure 4-B - Phil's Auto Site - Proposed Drilling Locations
- Figure 5-A - Rodger's Drilling Site - Soil and Groundwater Quality Summary Map
- Figure 5-B - Rodger's Drilling Site - Proposed Drilling and Pilot Test Locations
- Figure 6-A - Climate Roofing Site - Historic Site Map
- Figure 6-B - Climate Roofing Site - Proposed Borehole and Monitor Well Locations
- Figure 7-A - Lee & Blakely Site - Historic Site Map
- Figure 8-A - Former ATEX #213 Site - Soil and Groundwater Quality Summary Map
- Figure 8-B - Former ATEX #213 Site - Proposed Drilling and Pilot Test Locations
- Figure 9-A - Former G&S Community Corner Site - Soil and Groundwater Quality Summary Map
- Figure 9-B - Former G&S Community Corner Site - Simplified Geologic and Contaminant Cross Section A-A' and B-B'
- Figure 9-C - Former G&S Community Corner Site - Proposed Drilling and Pilot Test Locations
